## World Book Day 2021

World Book Day is taking place next Thursday and although it is a little different this year we are still going to make it special and celebrate the books we love.

This year we are asking all pupils and staff across the Trust to **drop everything and read!** At a point in the day all children in KS1 will read silently for 10 minutes and KS2 for 20 minutes with their class teachers and other members of staff.

Alongside this, we are running a competition on social media called 'The Masked Reader'. Taking inspiration from the popular tv show, staff members are reading an extract from their favourite children's book whilst in disguise. The pupils job- guess who is behind the mask.

A new video will be released every day running up to the 4 March. The first video was published yesterday on Twitter and Facebook. On Thursday children will receive a quiz via Teams to submit who they think is behind each mask. An achievement point will be awarded for every participant.

## Returning to School on 8 March

Following the government's announcement earlier this week, school will re-open to all children on Monday 8 March. We are looking forward to welcoming all pupils back in school. A letter will be sent out early next week with key information about returning to school.

We would like to remind all parents/carers that the correct school uniform is still an essential component of the St Peter's Absolutes. It was fantastic to see children follow the Behaviour for Learning Policy last term and be able to reward them with a daily achievement point. We ask that this high level is continued upon returning to school. Please [click here](#) to read the uniform guide.
