THIS WEEK'S WINNER

Jupiter - Ben S & Ebony S

Mercury - Samuel O

Venus - James O

THIS WEEK'S WINNER

Mars - Theron T

Saturn - Dylan W

Trinity Academy St Peter's Awards

Earth - Poppy GB. For trying really hard in maths this week.

Mars - Orla T. For trying hard with her home learning, Miss Gledhill was really impressed with her writing!

Saturn - Melissa R. For putting 100% effort into all areas of the curriculum and for always being willing to share her ideas with the rest of the class.

Jupiter - Jack M. For taking responsibility for his learning & submitting quality work every lesson, every day.

Mercury - Isla R. For trying extra hard and showing lots of enthusiasm in all of her lessons.

Venus - Kyra-Kiss H. For a brilliant attitude to learning in everything, but particularly in her spelling and writing.

Thank you PTFG & New Library

We wanted to say thank you to the PTFG team for their kind donations. The money has gone towards our new library. We look forward to showing pupils the fantastic reading area when they come to school on Monday.

Science Week

Next week is British Science Week. Trinity TV has published lots of great experiments that you can do at home. Make sure to access these via your child's Teams.

Survey Results

Firstly, we want to thank all parents and children who participated in the Remote Learning survey. The positive feedback we received was brilliant and most of the feedback described our remote provision as high quality and parents were happy with the structure. Most parents explained that they thought live lessons were the preferred method of delivering learning and so we altered our provision to accommodate more live lessons. Some feedback explained that using Teams was confusing for younger children and so in EYFS and Mars class, we began to use Sway. We hope you see these as positive changes. We thank you once again for your time and welcome any other feedback you may have in the future.

World Book Day 2021

This year's World Book Day was a little bit different. There was no dressing up. However, here at Trinity Academy St Peter's, it was still a resounding success. Although we couldn't dress up, we all dressed up eggs instead, we all dropped everything to read our favourite books and we all shared our favourite stories. Thank you to all the parents and carers that made this year's World Book Day a success at home.

Thank you also to all the children who took part in the Egg-stra-ordinary dressing up competition. The winners are **Addison S** in KS1 with his Grinch egg and **Loucas RD** in KS2 with his Peter Pan creation. Well done!

Live Assembly

On Thursday 29 April, we will be having a live assembly with Google and Parentzone to learn about becoming Internet Legends. Be Internet Legends is a programme developed by Google and Parent Zone to teach children the skills they need to be safe and confident online.

Below is a link to the Legends Family Adventure, which is an exciting animated series with three short episodes. Children can follow the Legends family on an exciting journey into the world of Interland. This series brings online safety to life and there are also some fun activities for you to complete along the way.

Parents Evening

Parent's evenings for Earth, Mars, Saturn, Jupiter and Mercury will be on the following dates: 26, 27 and 29 April. More information, including times available and how to book, will follow.

Thank you Mrs Rushton, Miss Clegg and Mrs Shanks

Throughout the lockdown period, we have received some excellent support from these three members of staff. With the wider reopening of schools, we want to say a huge thank you for all their hard work and dedication in supporting our children during this time.

Preparing for your child's return to school

We understand that for some children and parents, returning back to school may be worrying. We hope that you may find the advice below helpful in preparation for your child returning to school.

Preparing Your Child For the First Day Back in School

As schools begin to open to more children, parents and children may well be feeling anxious. Here's some ideas of how best to prepare.

Be Calm.

Your child will take their lead from you and be reassured if you are steady and matter of fact.

Be Curious.

These are strange times and their imagination may run away with them. Listen, and try not to dismiss or minimise their fears but validate how they are feeling – “it’s completely fine to feel like that at the moment” or ‘I can really understand why you would feel like that’

Be Positive.

Remind them of all the ways they have learnt to keep themselves safe: washing their hands regularly, sneezing and coughing into their elbow, not hugging others and staying in their own space.

Be Thankful.

Help your child think of things they are looking forward to: being with their friends, seeing their teacher, favourite activities but be mindful some of these may not be available for them

Be Supportive

Younger children particularly may struggle with separation anxiety and may become tearful, clingy or act out. Reassure them that you will miss them too and think of them through out the day. It might be helpful to draw a little heart on their wrist and one on yours too. You can call it the hug button and when they find they are missing you they can press the heart and know that you will be doing the same at home. Sometimes having a little object to remind them of you through the day helps but please check this out with your school first.

Be Prepared.

Support your child to be aware of changes that may have happened to their classroom environment since they were there last and rehearse any new routines that school may have shared. Rehearse and practice your 'goodbye' routine and create a 'hello' greeting for the end of the day for them to look forward to.
