## Trinity Academy St Peter's Awards

**Earth** - Harry S for beginning to initiate play, responding to others during play and conversation.

**Mars** - Edie B – for superb effort in writing and trying hard to improve her sentences.

**Saturn** - Mia F for putting 100% effort into everything she does and for being fantastic role model to the rest of the class.

**Jupiter** - Ben S For taking responsibility for his learning and improving his handwriting. Keep it up, Ben.

**Mercury** - Jemima E for terrific effort across the board, and frequently contributing in class. It has been great to see her hand up so much.

**Venus** - Lexi H for trying really hard on her presentation.

**THIS WEEK'S WINNER**

**Saturn** Fletcher L

**THIS WEEK'S WINNER**

**Jupiter** Ebony S

**Mercury** Kayden S

**Venus** Ty H

### Attendance

W/C 14/06/21

1st Mars **97.54%**

## Sun Cream

We are delighted that the sun is out and shining! Please ensure that your child is well-protected from the sun by applying sun cream before school and sending your child with a sun hat for their breaks and lunchtimes.

## NSPC PANTS RULES

In our PSHE lessons this week, we have been discussing the NSPCC's PANTS rules. These are designed to teach pupils how to stay safe, without giving explicit information or telling scary stories. In the lesson, children have been learning about the 'PANTS' acrostic, which stands for:

- Privates are private.
- Always remember your body belongs to you.
- No means no
- Talk about secrets that upset you
- Speak up, someone can help.

If you would like to know more about the NSPCC's campaign and learn how you can help keep your children safe in partnership with Trinity Academy St Peter's, more information can be found at [nspcc.org.uk/pants](https://nspcc.org.uk/pants)

If you have any questions or concerns please don't hesitate to get in touch.

## COVID-19 Update

Bubbles across Calderdale have been forced to close this week, with some areas of the district running surge testing, following increased cases of the Delta variant. Unfortunately the virus is still prevalent in our communities and we ask that you continue to do all you can to follow the guidance outside of school.

### Symptoms of COVID 19

- New continuous cough and /or
- High temperature
- A loss of, or change in, normal taste/smell

**Do not send your child to school if they display any of the three symptoms.**

### How to stop COVID 19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID 19:

- Wash your hands often for at least 20 seconds.
- Use hand sanitizer if soap is not available.
- Wash your hands as soon as you get home.
- Cover your mouth and nose with a tissue ( not hands) when you cough or sneeze
- Put tissues in the bin immediately after using.
