To the children, the parents and carers and to the staff,

Well TASP, what can I say?

Even though I am only leaving temporarily, I wanted to write to you all before Christmas.

I want to start by thanking everyone - the children, the staff and the parents and carers, for being so wonderful and supportive over the last 16 months, especially since June, in response to me taking over as Head of School.

I am so proud of the positive changes that we have made together at TASP: the behaviour of the children is excellent, they are making so much progress in their learning and they work consistently hard.

All members of staff are moving mountains at TASP- the progress of the school is a credit to every single one of them- I have had such a fantastic team behind me and I know that you, as parents, all agree.

This year, we have been able to start having parents and carers back into school grounds. It has been lovely to open the gates and see you all every morning and afternoon. Not only that but more recently we have been able to host a range of events: celebration assemblies, Drop Everything and Read, the harvest, Carols by Candlelight, the Y6 residential. Long may they continue!

I feel I am extremely lucky to have worked at TASP. And, although I will miss it dearly, I will not be too far away as I am still part of the Trinity Academy team. As you know, I am still going to be supporting TASP in the background so you will still see me from time to time and I will be cheering everybody on with the progress that I know TASP will continue to make.

Today has been a sad day but I leave, temporarily, knowing that, together, we have built a great school with great staff that will continue to provide the best quality education and care to your children.

Lastly, I hope that you all have a merry Christmas and a happy new year. Stay safe and enjoy.

Thanks for everything,

Mrs R Dawson
