## Other news and reminders this week

It has been a very wonderful half term at St Peter's and I have very much enjoyed getting to know the wonderful children and all of their families. Half term is next week and I am sure our children are all ready for a well deserved break after working so hard. **We return to school on Tuesday 1st March (school is closed on Monday 28th February for teacher training).**

Our whole school **attendance winners for the term are Y1 and Y2.**

They have had an extra treat session in the hall this week and are being awarded their special certificate in assembly today. Well done! Please remember that it is a legal requirement to attend school on time every day and that holidays cannot be authorised in term time.

World book day is on Thursday 3rd March and a separate letter with all of the wonderful details for the day is on it's way.

**Staying  
Safe**

**Online**

Please remember the importance of online safety when you are at home for half term next week. We have had lots of lessons and reminders in school about stranger danger, age appropriate use of apps and access to social media. There is a new app called WINK that parents and carers do need to be cautious of. It is a communication app designed for children over 13 years and there are risks being identified with stranger danger, sharing of information, grooming and viewing material not suitable for younger children. Please keep an eye out for this and make sure you have the correct parental controls and supervision on all devices that your children use.
