"We intend to prepare our children socially, spiritually, and academically."

**Mathew Brown,
Principal**

Welcome from the Principal

I am delighted to welcome you to Trinity Academy St Peter's. The school became Trinity Academy St Peter's in September 2020, when it joined the Trinity Multi-Academy Trust (MAT). At Trinity Academy St Peter's, we are very proud of all aspects of the school; I am extremely privileged to be the Principal here. We believe that all children should have access to a top-class education and quality first experiences.

The school boasts 360-degree grounds, including an Astroturf area and an orchard which is being developed into a forest school. Inside, the children can access the newly developed school library, KS1 and KS2 learning 'Boost' spaces, as well as a designated phonics hub.

Our school values are Empathy, Honesty, Respect and Responsibility, and these values are intertwined throughout our everyday school life. We intend to prepare our children socially, spiritually, and academically so that when they leave us, they have a lifelong love of learning and take our values into the wider world. Our children are kind, polite, excited to learn, and supportive of one another. We aim for our pupils to become confident in everything they do and to be the best version of themselves.

I am looking forward to working with the whole community as we strive for great success for all our young people. By working together, we can ensure that all children enjoy their time at school, make excellent progress and leave us with the necessary skills and attitudes to lead successful and fulfilling lives.

I look forward to meeting you and showing you all that Trinity Academy St Peter's has to offer.

Mathew Brown | Principal

Welcome from the Trinity MAT CEO

In 2015, when the Trinity MAT was established, our brief was a simple one. Whilst the intervening period of time has seen numerous different challenges, one thing has remained constant: we are determined to make a positive difference, on as wide scale as possible, where it matters most. That is as complicated as we allow it to become.

The Trust now contains eleven institutions, catering for ages 3 to 18, across five local authorities. It also incorporates White Rose Maths, an organisation that has improved the life chances of countless young people, and the West Yorkshire Maths Hub – as well as working to support thousands of staff regionally through our Institute of Education. Our journey has taken us a long way; our ambition for young people, coupled with our desire to continually improve, tell us that this is just the start.

For those seeking educational excellence and involvement in the lives of their children, for those willing to accept that responsibility, for those looking at education from a different point of view, welcome to Trinity.

Michael Gosling | CEO

"Effective collaboration, across a wide number of schools is an important part of who we are."

Trinity Multi-Academy Trust has a reputation of transforming schools, delivering a 'world class' education to every pupil and the families we serve. This translates into a unique education provision for your child:

- Well balanced curriculum: Enabling every child to master the core elements of English and Maths; plus working with our secondary schools to provide special input to STEM and arts subjects at primary level.
- An excellent behaviour and learning environment, including good quality classrooms; clear expectations of staff and pupils; high standards with our children's well-being at the centre of our ethos.
- Consistency through end-to-end education: Excellent preparation for pupils moving through the academy and then on to secondary phase of education. Trinity Academy St Peter's is a feeder school for Trinity Academy Grammar.
- Wraparound care to support working parents: Provision of high-quality wraparound education, including before and after school clubs, extra-curricular experiences and development of life skills.

An exceptional academy

Since joining the Trinity Multi-Academy Trust in September 2020, the academy has seen great improvement in the building and learning environment following investment in the school facilities by the Trust.

The school is a bright, spacious environment for our children to learn, where pupils enjoy an outstanding education, which will set them on the path to lifelong success. The children's happiness and well-being is of paramount importance to us.

Our core values of Empathy, Honesty, Respect and Responsibility are at the heart of all we do in our academy community, and run through every aspect of our school life.

***Our values of
Empathy, Honesty,
Respect and
Responsibility are
at the heart of
everything we do.***

Developing skills in and out of the classroom

Our curriculum is underpinned by the National Curriculum, which sets out the programmes of study which our pupils cover in their classes.

However, when we talk about successful St Peter's pupils, we aim to develop each child's special skills, talents and interests – including the provision of an appropriate educational programme for all pupils with special educational needs.

Pupils are encouraged to participate in many memorable experiences during their time at the academy, which will enthuse and interest them in areas such as sports, science, drama, dance and the arts.

Pupils at the academy are also benefiting from a new Learning and Resource area, 'Boost' spaces and phonics room.

Our core values of Empathy, Honesty, Respect and Responsibility are at the heart of all we do in our academy community, and run through every aspect of our school life.

We are delighted to offer pupils at Trinity Academy St Peter's unrivalled outdoor facilities within our grounds, incorporating comprehensive sports and play equipment, Astroturf area, generous playing fields and even an orchard, where we plan to develop a forest school learning environment.

We encourage our pupils to appreciate and enjoy the exceptional outdoor spaces we have. Children in Reception have excellent play areas, both indoor and outdoor, where they can learn and play co-operatively with others, solve problems, be creative and develop independence.

Uniform

Pupils at Trinity Academy St Peter's are expected to wear their uniform to a high standard. This reflects their pride in being part of our academy community, and is important preparation for secondary school, and beyond that, the workplace.

Parents and carers have an important part to play in ensuring that their child arrives each day in full uniform. We are grateful for the support of our parents, and their understanding that our children really do take pride in their uniform, as detailed in the table below:

Girls	Boys
St Peter's tie	St Peter's tie
Blue St Peter's cardigan or St Peter's V-neck jumper	Blue St Peter's V-neck jumper
White collared shirt, long or short sleeved	White collared shirt, long or short sleeved
Grey skirt/grey pinafore dress/ grey trousers	Grey trousers
White/grey/black socks or grey/black tights	White/grey/black socks
Blue checked dress (summer term only)	Grey shorts (summer term only)
Black school shoes	Black school shoes

Reception Admissions

Our admission number is up to 15. Parents wishing to apply for a place in Reception should fill in an online Calderdale Admissions Form by 15th January 2023 prior to admission in September 2023.

We hold open events for parents and their children where they have the opportunity to meet the staff and see the Reception area.

Trinity Academy St Peter's is a primary school that feeds directly into the nearby secondary school, Trinity Academy Grammar.

Years 1 – 6 Admissions

Parents of children in Years 1 to 6 wishing to join the academy are invited to make an appointment to visit. An application form is available from the academy office and completed forms can be returned to the academy or to Calderdale Education Department. The application will then be considered at the fortnightly North Halifax or Central Halifax BAC panel meeting.

Wraparound care

Before and after school clubs are available for children attending the academy, offering childcare for parents who need to drop their children off before the school opens, or collect them after the end of the school day. Our clubs give children the opportunity to interact with others who may not be in their class, encouraging them to make new friends.

At Breakfast Club we have lots of crafts and encourage the children to be creative. We also offer a range of activities for all ages, including word searches, crosswords and Times Tables Rock Star sheets. In After School Club we try spend as much time as we can outside, playing group games and enjoying the outdoor equipment.

Opening times:

Breakfast Club - from 7.45am until 8.45am

After School Club – from 3.00pm until 5.00pm

We provide nutritious snacks for the children attending both clubs. Sessions can be booked and paid for via an easy to use app.
