Other news and reminders this week

A welcome message from Mr. Brown

Dear parents and carers,

A very warm welcome back to everyone, and a big welcome to all our new parents. We are very excited about the year ahead. It has been great to see all the children working so hard and enjoying their learning so much over the first week back.

There will be lots happening this year and we will keep you informed through newsletters and our social media.

Thank you all in anticipation of your support for the forthcoming year.

Welcome to our new Assistant Principal!

Hello. I am Mrs. Greenwood and I am delighted to be joining Trinity Academy St Peter's as Assistant Principal in October.

This year, I am starting my 10th year as a teacher and have worked in a range of different primary schools. I love working with children and helping them to learn new and wonderful things. For the last three years, I have been an Assistant Principal at Trinity Academy Akroydon and, as I return from maternity leave, I am very excited for this new opportunity to join the St Peter's team.

I love going on walks with my little boy, reading and spending time with my friends and family. I can't wait to get started and I look forward to meeting all of you in school or on the playground very soon.

HRH Queen Elizabeth II

I'm sure that many of you will have heard the sad news that we received yesterday with the death of Her Majesty The Queen. I am sure you will all agree that she was an inspirational monarch, who embodied Britain and our values and she will be truly missed. Our thoughts and prayers are with King Charles III and his family.

As always, we will support our pupils thoughtfully and sensitively with all current affairs. Throughout the day we have been reflecting with the children and it has hopefully been a safe space for them to better understand this recent event and the world around them.

The Cabinet Office will issue further guidance on the period of national mourning, and we will update you on any key messages once we have them.

Attendance Reminder

Please continue to report any absences before 9am each morning. If we do not receive notification from yourself we will either telephone or, where contact can't be made, visit you at your home to meet our statutory safeguarding duties. Punctuality is important for learning for all children. Please ensure that your child is at school for the drop-off window for their class.

Roald Dahl Day

On Tuesday 13 September we are going to be celebrating Roald Dahl day in school.

Each class will focus on a different Roald Dahl book and the children can expect lots of fun activities throughout the day. We will be holding a competition in each class for the best Roald Dahl inspired drink based off their class book. There will be a special prize for each class winner!

Look out for what we get up to in next week's newsletter!

Once the member of staff has dismissed the class they will then happily talk to you about any concerns or queries that you have. Senior leaders are also available to talk to about any issues.

Reception Assessments

Next week, reception class will be taking part in the Reception Baseline Assessment. Your child will have come home with a booklet full of information on the assessment which will answer any questions you may have. Please do not hesitate to approach Miss Kitson if you have any further questions.

New School Gates

As you may have already seen, we have invested in some new electronic gates at our main pedestrian and vehicle entrances on St Peter's Avenue.

The pedestrian gate should automatically open in a morning and at home time for drop-off and collection.

If you need to come into school outside of these hours, please ensure that you press the buzzer to call the office. You will also need to press the buzzer and call the office to exit the school grounds.

For safety, please be reminded that children should not tamper with the gates or the buzzer for any reason. Please also ensure that you allow the gate to open and close on their own and that you do not attempt to push them manually.
