## Other news and reminders this week

### Out of School Achievement

Zachary brought his Chief Scout Silver Award into school this week. This wonderful achievement takes much hard work, dedication and resilience. These are qualities that this young man displays inside and outside school. Well done Zachary!

### Bikeability - Year 6

Yesterday our Year 6 class enjoyed their Bikeability session.

Unfortunately, due to the hot weather on Tuesday, we could only enjoy a one day session, but nevertheless all the children had so much fun!

They started on the playground and the school grounds, doing simple drills and exercises. Then some children went for a ride around Sowerby Village with some of the instructors.

They each came away with a certificate and a medal! Well done Year 6!

### Outstanding Balances

Please can you ensure that all outstanding balances owed are paid up to date as soon as possible. This is including Dinner balances, Breakfast Club, OOSH and any trips.

If you have any issues please contact the school office at the start of the new academic year.

### A message from Mr. Brown

Dear All ,

A big thank you to you all for your continued support and encouragement of all our young people at Trinity Academy St Peter's. I feel very privileged and proud to be working alongside some very special and talented individuals (young people, parents and staff).

Since becoming the Principal of the school earlier this year and from my time as Assistant Principal prior to that, I am continually impressed with the dedication of staff and the support of our parents and local partners in driving achievements and successes forwards. Some examples include the hard work of our Friendship Ambassadors and their success which led to them being one of only five schools that were invited to a national showcase in London, the Summer Fair, the Sports Day, to name just a few.

Plans to embrace as well as develop opportunities and initiatives for our young people are very high on my agenda, and I hope to offer a further range of curricular and co-curricular in future years. We will keep you updated on a regular basis and further communication will come prior to September welcoming everybody back.

Unfortunately, we say goodbye to staff members, Mr Shepherd, Mr Metcalfe, Miss Wray and Mrs Crawshaw who will be leaving us this term and we wish them all the best in their future endeavours.

A warm welcome to Miss Emms who will be joining us and although Miss Tetley is already with us, she will be taking over from Mrs Crawshaw as a Pastoral Officer.

To all the young people who are leaving Trinity Academy St Peter's this year, I wish you all the very best for a happy and healthy future.

Please do check our website as it is regularly updated with the latest information from the School.

All the very best to you all and have a lovely summer break.

## A message from our Chair of Governors

Dear parents and carers

It's difficult to believe that we are at the end of another academic year-time flies far too quickly!

It's been a busy year, with some significant changes in our leadership team. Such changes could have been unsettling for our school community, but thanks to the dedication, optimism and tireless hard work of Mr. Brown and all the staffing team, the children have continued to learn, develop and flourish. Your children have embraced all the changes and challenges this year has brought with resilience and enthusiasm and are a credit to you.

I have visited school on a number of occasions throughout the year, and without exception, the children have behaved beautifully, been engaged in their learning, and most importantly, have done so with smiles on their faces. During my last visit a couple of weeks ago, I spoke to a few children about how they felt about being a St. Peter's pupil. Everyone felt safe in school, said that behaviour was good and every one of them said they would recommend St. Peter's to other children. What a great endorsement! Thank you, Lexi-Mai, Lewis, Zachary, Jackson, Brooklynn-Layla, Melissa, Lottie, Luiellah, Macy, Kayla-Mae, Lola and Jack for taking the time to speak with me. It was lovely spending time with you.

As we acknowledge and embrace the end of this academic year, it's also a time for goodbyes. To the Year 6 leavers: you have worked so hard this year and have done incredibly well. Be proud of all that you have achieved. The very best of luck to you all. Work hard, try your best and treat everyone you meet in your new schools with kindness, and you will settle quickly and do well.

To the members of staff who are moving on to pastures new: Ms. Wray, Mrs Crawshaw, Mr. Shepherd and Mr. Metcalfe, thank you for all your hard work during your time here, and best wishes for the future - you will all be hugely missed...although we will look forward to Mr. Shepherd returning to us next year!!

To every single member of the staffing team at TASP - Thank you so much for everything you have done to keep our school safe, and our pupils protected, fed, educated, supported, and engaged. Your dedication and commitment to the children is awesome. To my fellow governors, a big thank you, too, for all the time and energy you put into supporting the work of our school.

In September, we begin again. There are lots of exciting plans in place to continue our journey of improvement, and despite the staffing changes referred to above, rest assured that Mr Brown and his new team will continue to provide the best possible experiences to enable your children to continue to learn and develop as individuals.

In the meantime, let's hope the sun continues to shine (but not quite so brightly as the beginning of this week!) for us! Have a great summer.

Kind regards,  
Sue Sutton  
Chair of Governors
