

1 December 2022

Dear parents / carers,

The EYFS/KS1 Nativity preparations are still going strong, and the children are practicing every day. We can't wait for you to see them in action!

In terms of costumes, we should have everything that we need. However, we would like the children to have a plain black top and plain black bottoms to wear underneath their costumes at the Nativity performances. The only exception to this is if your child is an angel, then we would like those children to have a plain white top and plain white bottoms.

Please send something in for your child by next Friday 9 December. If you struggle with the above, please let us know as soon as possible.

As a reminder, the performances are on the following dates:

Monday 12 December – 6pm – please bring the children for 5:30pm, refreshments will be served in the dining hall whilst you wait.

Tuesday 13 December – 1pm – refreshments will be served after the performance.

Tickets are now sold out for the Monday evening performance, but if you would like any extra tickets for the Tuesday afternoon performance then please contact the school office.

Thank you for your continued support.

Yours sincerely

Miss Kitson & Miss Hamlin

Attenborough & Moore Class Teachers
