Trinity Academy St Peter's Awards

Attenborough Class - George B - for amazing contribution in lessons this week. He has answered questions using full sentences and shown perseverance when he has found something a little bit tricky!

Moore Class - Lacey G - for always being a kind and caring member of Moore class and for being a good role model to others but especially to those that are younger than her. She never gives up even if sometimes she might find some tasks challenging. I can always count on her to be doing the right thing and I'm very proud of her. Well done Lacey.

Hawking Class - Renesmae S - for giving 100% effort in all lessons. She is a helpful member of the class and always strives for excellence. Well done and keep it up!

Brontë Class - Casey H - for her effort and enthusiasm in mathematics this week. She has tried hard to keep up with the pace of the lessons and contributed really well throughout the week.

Adams Class - Summer C - for the effort she has put into improving her writing. She has made sure her presentation is much neater and her language choices are more ambitious. She is certainly striving for excellence.

World Book Day - The Potato Challenge

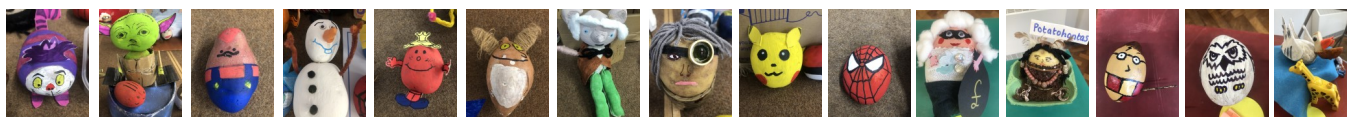

World Book Day brought so much fun to school on Thursday! Everyone made such a fantastic effort with their potatoes, they were all wonderfully creative. We are so proud of all of the children! Even the staff got into the World Book Day spirit and had their own potato competition, which all of the children anonymously judged.

Well done to our Potato Challenge winners **Elliott G, Reagan C, Dylan W, Seren B and Sienna H**. Each child won a new book and a WH Smith voucher.

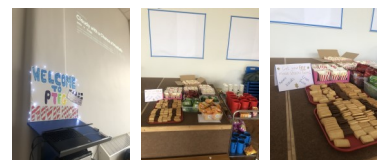

Our staff winner was self-proclaimed (although she had a little help with her title by Zachary D!) "Champion of the Spuds"
Miss. Kitson!

Have a look at our winners below, plus some of our other brilliant potatoes!

PTFG Movie Night

After World Book Day the children had the chance to attend our very own movie night. This was put on by the TASP PTFG who created our very own cinema in the hall. We had popcorn, biscuits and crisps aplenty, and the children made themselves comfy on lots of mats and cushions ready to watch 'Cloudy With A Chance Of Meatballs'.

We would like to thank the PTFG for putting on this free event for our children. Everyone had so much fun!

Drop Everything and Read!

Thank you to all parents and carers who joined us for our 'Drop Everything And Read' event on Wednesday morning. It was great to see so many people picking up a book and reading with each other. Reading is so important for children and we hope that this has inspired you to continue reading with your child at home.

We hope to hold these events regularly, so keep your eyes peeled for the next one!

REMINDER - Healthy snacks and drinks

We have seen an increase in the number of snacks being brought in to school that are not healthy, and do not follow our Healthy Eating policy. We have also seen a rise in the number of children who are bringing in juices and other drinks. Please note that we only allow children to bring water to school. Any alternative drinks or snacks deemed as unhealthy will be removed by staff and returned at the end of the school day.

We have also noticed that children are bringing in PRIME bottles to school. These are not allowed going forward so please ensure your child comes to school with a proper water bottle. Please see our Healthy Eating policy on our website <https://stpeters.trinitymat.org/wp-content/uploads/2022/10/MAT-Packed-Lunch-Policy-for-primary-academies-2022-1.pdf>
