Trinity Academy Easter Eggscellence Awards

Attenborough Class - George B - for an amazing effort in all areas of learning this term. He has believed in himself and shown great resilience and determination in everything he has done. His efforts have truly paid off! Well done!

Moore Class - Hope F - for coming so far this term with her reading and writing. These are things that Hope could sometimes find challenging, but she persevered and kept on going and I know myself and Mrs Walker are so proud of her. It's been amazing to see her confidence and independence in her learning grow. Well done, you little superstar!

Hawking Class - Milli-Mae C - She has been a superstar all term and is a fantastic role model to the class. She always tries hard and has been pushing herself out of her comfort zone and trying new things. It has been lovely seeing her confidence grow. Well done!

Brontë Class - Zachary P - His conduct in class is exemplary and his desire to learn is wonderful to see. It is lovely to see him helping others in their learning once he has grasped a new concept or fact. Keep doing the same thing - You're a star!

Adams Class - Sienna H - she has made excellent progress in maths this term and, on a number of occasions, overcome her nerves and shown she can be a very confident public speaker.

Other news and reminders this week

HAPPY EASTER - HAVE A LOVELY HOLIDAY!

Easter Service

On Wednesday, we held our Easter Service at St Peter's Church.

Each class worked really hard to present some wonderful work in church. We had some readings and each class made their own crosses, which they then pinned on to our giant cross.

Thank you to all of the parents/carers who were able to attend. Take a look at some of our pictures below.

Art Exhibition

We held our second Art Exhibition on Monday where all of your children's artwork was put on display from the last two terms. We had everything from 3D art to Pop art, and watercolours to mosaics.

I'm sure you'll agree that all of the artwork looks fantastic! You should be so proud of them all, because we definitely are!

Young Voices Final Performance

On Thursday, our Young Voices Choir had their last hurrah when they performed for their parents/carers.

It has been such a fantastic journey for our choir. They've learnt multiple songs, lots of dance moves, had countless rehearsals, performed at a massive venue with hundreds of other children, sang at some of our school events and finally topped this off with a final farewell for their loved ones! What a wild ride it's been!

The children have absolutely loved being part of the Young Voices choir, and we have definitely seen a huge leap in everyone's confidence.

Thank you to all of the parents/carers who have supported their children and TASP with this experience, and thank you for joining us for our final performance.

Our Young Voices choir will now change to our TASP choir, and we will be welcoming some new members after the Easter holidays. Our first rehearsal will be **Thursday 13 April 2023**.

Our next big event is going to be the 'Voices Together 2023' concert that will be held at The Victoria Theatre, Halifax on **Wednesday 7 June 2023**. Look out for more information about this event after the holidays.

Other news and reminders this week

Attenborough Class—Vision Screening

The vision screening for Attenborough Class will take place on **Tuesday 18 April from 9:15am**. Please ensure that you have your child in school on time on this day.

The vision screening test is a routine assessment that is offered to all Reception age children. It is aimed at detecting squints and/or reduced vision. An information leaflet has already been sent out at the beginning of the year. If you have any further questions about this then please let us know.

Uniform Policy

As we move in to our Summer Term, our uniform policy now allows children to wear charcoal school shorts and blue and white checked dresses to school. Please bear in mind that all other uniform must be worn as normal.

In the recent weeks we have had lots of children wearing incorrect uniform. In particular, we have found that some children are coming to school without ties and the correct footwear. As a reminder, **ALL** children must wear a TASP tie and black school shoes. Trainers are **NOT ALLOWED**.

Our full uniform policy can be found on our website <https://stpeters.trinitymat.org/key-info/uniform/>.

Brontë class - STEM Challenge winners

Congratulations to **Jack M** and **JJ R** for being chosen as the STEM challenge winners for Brontë class. They were chosen by Trinity Academy Grammar who were running the event. All children had to design a new or improved way of travelling around. The design needed to be environmentally friendly, be able to carry at least 4 people and be imaginative. Well done to our winners!
