

1 March 2023

Dear Parents/Carers,

SATs information evening

As you may be aware, Year 6 will be completing their SATs in the summer term.

We would like to invite you to an information evening to give you more details of what this involves.

This is a very important meeting to explain the SATs process and how your child can have the best chances of success.

This will be held on Wednesday 15 March straight after school.

We will share timetables and how we will be helping your child to prepare for the week. This will also be an opportunity for you to ask any questions you may have.

We look forward to seeing you and appreciate your continued support in your child's final year here at Trinity Academy St. Peter's.

Yours sincerely,
