Trinity Academy St Peter's Awards

Attenborough Class - Jessica S - for striving for excellence with her writing. She makes sure she includes all the correct special friends within her work whilst also working on her letter formation! We are very proud of you Jessica!

Moore Class - Charlie S - for having a positive attitude to learning and retaining all we have learnt about Florence Nightingale. He has produced some lovely work and we are just so proud of him. Keep on doing your best.

Hawking Class - Jack P - for fantastic improvement in his writing. He has been using ambitious vocabulary and trying hard to include a variety of fronted adverbials and expanded noun phrases in his work. Miss Gledhill has been particularly impressed with his writing about The Last Viking. Well done!

Brontë Class - Zachary P - for his fantastic work ethic. He always strives to do his best and pushes himself in his learning. This is not only one of our school core values it is brilliant to witness as well. This combined with his excellent progress learning the guitar has resulted in him standing out from the crowd this week. Mr. Walters has said that he is working at a GCSE level guitar work - inspiring stuff from a year 5 child. Well done Zachary, a brilliant week!

Adams Class - Luishon H - for his enthusiasm in lessons, particularly maths. He is always determined to succeed and is not afraid to repeatedly ask for help if he needs it. I am very proud of the progress he has made this year.

Moore Class

1st - **Rose M**

2nd - **Logan FG**

3rd - **Edward W**

Brontë Class

1st - **Charlotte W**

2nd - **Ben S**

3rd - **Ruby D**

Hawking Class

1st - **Jacob B**

2nd - **Mia F**

3rd - **Jude M**

Adams Class

1st - **Isaac W**

2nd - **Katie B**

3rd - **Nina T**

Attendance

W/C 17/04/23

1st Moore class **100%**

2nd Adams class **97.89%**

3rd Brontë class **97.37%**

4th Hawking class **97.10%**

5th Attenborough class
92.50%

Well done Moore Class!

Parents should call the office on **01422 831971** to report a pupil absent. This should be done on the 1st day of absence and all subsequent days.

PE Dates

Monday PM - Hawking class

Monday PM - Brontë class
Swimming

Tuesday PM -
Attenborough class

Friday AM - Adams class

Friday PM - Moore class

Thank you, Mr. Brown and the St Peter's team.

Other news and reminders this week

Netball Tournament

On Tuesday, some of our girls from Brontë and Adams class ventured to Ryburn to compete in a netball tournament.

The girls have been practising hard in the build up to the tournament, and have gone from strength to strength as a team. They have even put in extra practises in their own lunch times, which shows so much dedication and that they were trying to **#StriveForExcellence**. All of the girls put in an outstanding effort at the tournament. They showed great skill, teamwork and comradery. Most importantly they had fun!

Even though they didn't win, they all went in with a **#BelieveYouCan** attitude, and represented TASP tremendously! Mrs. Taylor is one proud coach!

Well done to our netballers **Summer C, Mia-Marie D, Millie GB, Casey H, Lily-Rose S, Hollie-Jo S, Evie-J S, Nina T and Charlotte W!**

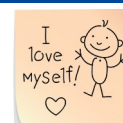

Parent Workshop—Supporting Self Esteem

On Tuesday evening, we held our third and final parent workshop led by Open Minds (CAMHS).

This workshop was centred around self esteem and how we can support this in our children. We covered spotting the signs of low self esteem and shared ideas on how to boost this and promote happiness, such as positive affirmation etc. This also linked with our previous workshop on low mood.

The parent/carers who attended found this very informative, and we would like to thank them for coming. All of our workshops have been successful, so thank you to CAMHS for running them, and Miss. Tetley and Mr. Brown for supporting the parents/carers with them too.

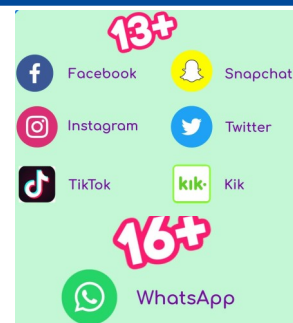

If you would like to speak to us about the themes of these workshops, or anything else, please discuss this with Miss. Tetley.

Social Media and Online Use

We have seen a rise in the number of children within school that are using social media platforms and messaging apps. We would like to remind all parents/carers that age restrictions are put in place on these platforms for a reason. If your child is using any social media or messaging services we would hope that you are monitoring their conduct, and would like you to ensure that any offensive language is not being used and inappropriate topics are not being discussed.

As a reminder, please see the age restrictions for each app.

Upcoming School Trips

As you'll notice, we have started to send out letters for some upcoming trips in the Summer Term.

We are hoping that every year group gets to go on a trip before the end of the academic year. So far we have the following trips scheduled:

- Hesketh Farm Park for Attenborough Class
- Yorkshire Wildlife Park for Brontë Class
- Yorkshire Sculpture Park for Hawking Class

If your child is in one of the above year groups and has not received a letter, please speak to Mrs. Riley in the school office.

We will update you on any additional trips as soon as any are confirmed.

Visit our website for further information: <https://stpeters.trinitymat.org>

Also check out our Facebook and Twitter pages for continuous updates.

Thank you, Mr. Brown and the St Peter's team.

Other news and reminders this week

Brontë Class STEM Challenge—The Royal Aeronautical Society

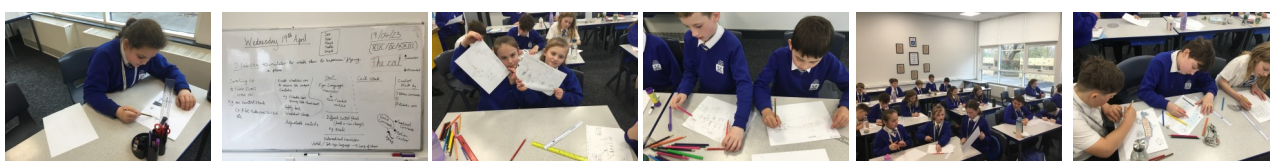

On Wednesday, Brontë class welcomed Nurina from The Royal Aeronautical Society into school to take part in a STEM challenge. This was in partnership with aircraft company Boeing UK, disabled flying charity Aerobility and Middlesex University.

The challenge was for the children to draw on their imagination and creativity to produce a poster showing a design for a real-life mobile flight simulator. This needed to be accessible for someone with additional needs, be that autism, wheelchair access, etc. Mr. Sutcliffe initially discussed the potential accessibility needs with the class, and then Nurina took over to talk about the challenge and what the children needed to do.

The flight simulator designs that the children created showed how problems faced by users with additional needs can be overcome. The National Primary School winner's ideas will be combined with the Secondary School winner to create a real-life simulator. This will widen the opportunity for experiencing the excitement of 'flight', or even of learning to fly, for people with additional needs. It will also raise awareness of the challenges faced by people with a disability or additional need.

Well done Brontë class!

- **8 July** - TASP Summer Fair

Brontë Class—Request

Brontë class will be completing a DT project where they will be creating a tote bag.

Mr. Sutcliffe is asking for any old **plain** fabric to be sent in to school if you have any spare. This could be an old duvet cover, bedsheet or T-shirt etc.

We would be grateful of any donations.
Thank you!

After School Clubs

- **Girls All Sports Club** - Mondays 3:20pm—4:20pm
