Trinity Academy St Peter's Awards

Attenborough Class - Sam C - for being so enthusiastic and imaginative when learning outdoors! He helped build a fantastic train and fixed it every time it broke! Well done, Sam!

Moore Class - Edward W - for trying very hard to always make the right choices. I have seen a positive change in Edward this week and I am very proud of him. Keep trying your best Edward!

Hawking Class - Jacob S - for being an all round superstar! He has been trying extremely hard with his phonics and sentence writing and has been making lots of progress. Miss Gledhill and Mrs Fraser would also like to give him a special mention for being a kind and helpful friend. He goes above and beyond to help others and always follows our absolutes. What a superb role model for our school!

Brontë Class - Shana VR - for having a fabulous work ethic and always applying her talents in class. Her tenacity is starting to pay dividends. This week she is asking many more questions in order to clarify her learning, which in turn helps others in class. Keep up the good work.

Adams Class - Kayden S - for trying so hard to reach his own targets for Year 6. He is so determined and resilient and asks for help when he needs it so he can improve in all areas of the curriculum.

Other news and reminders this week

King Charles' Coronation - Street Party

On **Thursday 4 May**, TASP will be holding a 'Street Party' to celebrate the coronation of King Charles III.

This will be from **2:30pm—4pm**.

On the day, children can wear **red**, **white** or **blue** non-uniform.

We will have music and lots of activities on offer for everyone, including face painting, biscuit decorating, penalty shoot-out and more.

We will also be serving refreshments.

The PTFG are asking for any donations of cakes, biscuits, treats etc for the day. If these could be brought in to the school office by **Wednesday 3 May** we would be very grateful.

All parents/carers are welcome to join us, and we hope to see you on the day!

Phonics - eBook Library

All children who participate in phonics lessons should have been sent a letter with regards to accessing our eBook library.

Your child's login for this will be in their planners, and a guide on how to access this has also been sent out.

We have also included some top tips for you when you are reading with your child.

If you have any queries please speak to Mrs. Greenwood, Miss. Gledhill, or your child's class teacher.

You will find the login page via the website www.OxfordOwl.co.uk. You can also scan the QR code shown here.

Cycling in School

A few weeks ago, we took part in Sustrans Big Walk and Wheel event to try and encourage walking and cycling to school. Walking and cycling to school has many benefits and I want to say thank you to those that really engaged with the project.

As a school we are committed to both encouraging healthy and active lifestyles and reducing emissions and traffic in the local area.

With that in mind, we have invested in a fleet of bicycles for our pupils to use at breaktimes to learn to ride and practice cycling within a safe space.

We will provide further updates on this exciting initiative in the coming weeks.

Safety Helmets

We would like to remind all parents/carers that if your child cycles to school, then we would encourage them to wear a safety helmet.

This is to ensure that they are protected should they have an accident on their bike inside or outside the school grounds.
