Other news and reminders this week

Yorkshire Wildlife Park

On Tuesday, Brontë class went on their trip to Yorkshire Wildlife Park.

Everyone took part in a workshop whilst they were there which was in conjunction with their learning on the Amazon and Rainforests. In the workshop they learnt about the different layers of the rainforest and the animals within that habitat. They also got to hold and see some unusual critters, such as an African land snail, a cockroach and we got close to a python!

They all enjoyed walking around the park and looking at the animals and seeing how they live in their own environment and how they exhibit different behaviours.

The children saw lots of fantastic animals such as leopards, lions, giraffes, meerkats and more!

Even our staff got in on the fun at the park, with Mrs. Walker and Miss. Moughan having a go on the see-saw.

Here is what some of the children had to say about the trip:

"The best part was seeing the lions and tigers. I'd definitely go back again!" - Joseph

"I liked going in with the lemurs. Mrs. Walker also saved a duck!" - Seren

KS2 Artist Visit

On Wednesday, we were lucky enough to have the artist Roger Davies in school to inspire our Year 3, 4 and 5 children with their own sketching and painting.

The pupils produced some exceptional pieces that focused on their favourite aspect of our school grounds. They added themselves and their classmates into the art to add energy and movement. Well done all!

If you'd like to see more of Roger's work then you can visit his website <https://www.rogerdaviesart.com/>.

Reception Stay & Play

Miss. Kitson would like to invite all Attenborough Class parents in to school on **Wednesday 28 June** from **9am—10am** to take part in a stay & play session in Reception. This is so that you can see your children in their class environment, and look at what we get up to in the day.

Please drop your child off at the Reception door as usual for 8:50am so that they can be registered. You can then make your way round to the school office to sign in via Reception.

We hope that you can join us, and look forward to welcoming you into class!

Healthy Eating

It's been healthy eating week! We've talked to all the children throughout the week about the importance of eating well, and the positive effects that this can have on their life.

Our packed lunch policy states that children should try to bring a healthy sandwich/wrap, a piece of fruit &/or vegetable and a healthy dessert. Children are also allowed to bring one sweet treat as part of a balanced meal.

Please remember that we do not allow sweets or fizzy drinks, and we are a nut free school!
