Trinity Academy St Peter's Awards

Reception - Addison E - for working really hard this week to stay focused on a task for longer periods of time. She even wrote two sentences with Mrs Taylor! She used her Fred Fingers to spell all the words independently. We are so proud!

Year 1 - Izzy W - for working hard in reading, specifically on her speedy reading and fluency.

Year 2 - Hadley R - for having a good understanding of o'clock times during maths. He's been able to explain what activities would be happening at certain o'clock times throughout the day.

Year 3 - Jack P - for being an all-round superstar! He is such a considerate and caring classmate, who always goes out of his way to help others. His behaviour and attitude on our school trip was exemplary. All the adults at the Yorkshire Sculpture Park were very impressed. Well done!

Year 4 - Max P - for always reflecting, improving and giving his best effort in his learning in every lesson. An excellent role model.

Year 5 - Lily-Rose S - for trying really hard in maths.

Year 6 - Sam O - for being so enthusiastic when doing map work in Geography.

Other news and reminders this week

Yorkshire Sculpture Park

Last Friday Hawking class took a trip to Yorkshire Sculpture Park. This trip was to celebrate and consolidate their learning on various artists/sculptors and materials.

The children took part in a sculpture workshop during the day. They made their own clay sculptures and then they worked in teams to make their very own giant sculpture. They had to pick from 2 cards; 1 had an emotion and 1 had an animal. They then had to build this sculpture in their teams. We had everything from a scared dragon to a sad fox, and a safe dinosaur to a calm kraken.

The children behaved impeccably, and had so much fun looking around the park at all of the different sculptures. The lead artist couldn't believe how knowledgeable our children were about different artists like Barbara Hepworth - she was very impressed!

Here is what some of the children had to say about their trip:

"I loved making the sculptures out of clay." - Orla T

"We made sculptures out of different materials. We made a scared dragon." - Jack P

"It was super fun. Thank you to the teachers for taking us!" - Ellie-Mae F

"My clay sculpture was a needle that looked like it was stitching the world. I definitely would like to go again!" - Kenley D

"The trip was awesome!" - Brooklynn-Layla D

A Trip to Ryburn

Some of Y6 children were invited to Ryburn for a transition workshop session on Tuesday.

They completed lots of team building activities in the session and learned different ways in which to work together effectively. They had to team up with another school to build a structure from spaghetti and marshmallows, and they also had to talk their team mates through making a drawing when only one of them had a visual of it. They demonstrated their communication and listening skills brilliantly.

Well done to **Katie B**, **Mia-Marie D**, **Luishon H**, **Ethan M**, **Kayden S** and **Maddison W** for representing TASP so well!

Stay and Play - Reception

Wednesday saw some of our Reception class parents/carers join us for a stay and play session.

The children had so much fun showing their families what they do in Reception and how they learn. They enjoyed lots of activities such as painting, building, playing in the role play area and building dens outside.

Reception Dress Up Day

On **Tuesday 4 July**, our Reception children are invited to come to school dressed up in the theme "What do you want to be when you grow up?". From a police officer to a soldier and a nurse to a teacher, the possibilities are endless!

Don't worry if you don't have a costume, Miss. Kitson has lots of dress up items in the classroom that your child can use for the day.

During the day Miss. Kitson will also be holding a teddy bears picnic. Children are welcome to bring their favourite teddy to join us for the picnic. Please send these in with your child on the day.

We will also be welcoming our new Reception starters into class for the afternoon.

We look forward to seeing what your children would like to be when they grow up!
