**Year 2 - Cole S** - for having a much better attitude to school this week, coming in confidently with a positive mindset.

**Year 3 - Edie B** - for trying hard in all lessons and being a superb role model to others!

**Year 4 - Mia F** - for ALWAYS making the right choices in class and on the playground and challenging herself to improve in every lesson. Well done, Mia.

**Year 5 - Jack M** - for the sophisticated opinions he has formulated in his discussion on deforestation.

## Other news and reminders this week

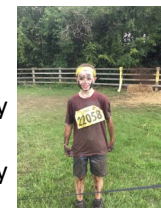

### Junior Warrior

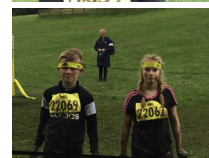

Last Friday, Adams class enjoyed their final primary school trip to take part in the Junior Warrior Challenge. They journeyed to Leeds alongside the other Year 6 students from our sister primary schools Trinity Academy St Chad's and Trinity Academy Akroydon.

The course was full of tricky obstacles and it was really muddy, but they had so much fun trying everything! Miss. Tetley and Mrs. Taylor also got into the spirit and joined in with the course too - although they may have sneakily skipped a few obstacles but shhhh!

This was a brilliant way for Adams class to round off their time at Trinity Academy St Peter's and to celebrate all of their hard work all year round, especially in SATs. Here is what some of our Year 6 pupils had to say about Junior Warrior:

*"We had to go through forests and water and mud! It was really hard but I did it and didn't lose my shoes like some!" - Isaac W*

*"About 5 minutes in we had to climb up and down mud and almost fell into water. The massive slide at the end was the best part!" - Zak H*

*"My favourite thing was going down the mega slide. Climbing over walls was really hard but I just kept going and got over it." - Katie B*

### Hawking Class - Hockey

On Tuesday, Hawking class were invited to Ryburn to take part in a Hockey event. They ended up getting a one to one session with Mr. Duffy, Ryburn's sports coordinator, on the day and played lots of games.

The children all had a fantastic time and represented the school beautifully—all the adults were very impressed!

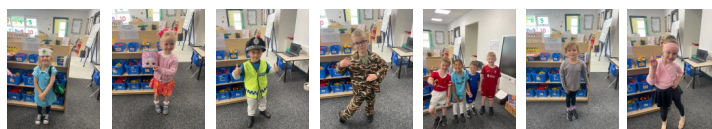

### Reception & New Starters Dress Up Day & Teddy Bears Picnic

On Tuesday, Attenborough class had a dress up day. They had to dress up in the theme "What do you want to be when you grow up?". We had everything from footballers to a doctor, and a police officer to a dancer!

The children took part in activities where they built houses for their teddies, made a hair salon and built a soldier base.

Some of our new Reception class starters joined us in the afternoon too. It was lovely to see them getting used to their new classroom and joining in the fun!

Everyone had a teddy bears picnic in the afternoon, where we ate lots of cakes, crisps and treats. Our children also wrote welcome messages and made place mats for the new starters to welcome them to the school.

### Special Music Assembly - Calderdale Music Trust

We are pleased to be able to host a special assembly on **Wednesday 12 July** that will showcase all of our key stage 2 classes and all they have been working on this academic year. Mr. Rhodes, the music teacher, will be leading the assembly with the children playing the ukulele and singing along.

We would like to welcome you in to school for **11am** to watch this special assembly with us. We hope that you can join us!

## Other news and reminders this week

### Rescheduled Outdoor Athletics

Don't forget, if your child has been selected to take part in the outdoor athletics event at Ryburn, this will take place on **Tuesday 11 July**. Children should arrive at school at **8:40am** already wearing their PE kit. Uniform should be brought in their bag, along with their water bottle. They will be escorted to Ryburn by school staff for **9am**.

You are invited to watch them compete from the banking, but Ryburn have asked that you remain away from the pupils whilst they are there. You can spectate from **9:30am till 11:45am** when the event is taking place.

### Reading Challenge

Since the beginning of 2023 we have set all pupils a reading challenge, with achievement points and prizes being available along the way.

This challenge has now finished, and we would like to congratulate all of the children who have taken part. Even if they have just read once at home, they should be proud of themselves for taking part.

The children who have all reached 100 points will receive a new book, chosen by them, as a prize.

We hope to run this challenge again to kick start the new academic year—we'd love everyone to take part. Keep your eyes peeled in September!

### Outstanding Balances

Please can you ensure that if you have any outstanding balances for School Dinners, Breakfast Club, After School Club or any Trips, that you try and pay these in full before the end of the school year. Failure to do so may result in any services being withdrawn.

Payment can be made via the My Child at School app or in cash.

If you need to discuss this, please speak to Mrs. Riley in the school office.
