"We intend to prepare our children socially, spiritually, and academically."

**Mathew Brown,
Principal**

Welcome from the Principal

I am delighted to welcome you to Trinity Academy St Peter's. We are very proud of all aspects of the academy; I am extremely privileged to be the Principal here. We and believe that all children should have access to a top-class education and quality first experiences.

The school boasts 360-degree grounds, including an Astroturf area, multiple playgrounds and an orchard. Inside, the children can access the school library, a designated art room, a science lab and modern classrooms.

Our school values are Empathy, Honesty, Respect and Responsibility, and these values are intertwined throughout our everyday school life. We intend to prepare our children socially, spiritually, and academically so that when they leave us, they have a lifelong love of learning and take our values into the wider world. Our children are kind, polite, excited to learn, and supportive of one another. We aim for our pupils to become confident in everything they do and to be the best version of themselves.

By working together, we can ensure that all children enjoy their time at school, make excellent progress and leave us with the necessary skills and attitudes to lead successful and fulfilling lives.

I look forward to meeting you and showing you all that Trinity Academy St Peter's has to offer.

Mathew Brown | Principal

Welcome from the Trinity MAT CEO

In 2015, when the Trinity Multi-Academy Trust (MAT) was established, our brief was a simple one. Whilst the intervening period of time has seen numerous different challenges, one thing has remained constant: We are determined to make a positive difference, on as wide a scale as possible, where it matters most. That is as complicated as we allow it to become. The Trust now contains eleven institutions, catering for ages 4 to 18, across five local authorities, with exciting programmes like Trinity Scholars and Earthshot. It also incorporates White Rose Education, an organisation that has improved the life chances of countless young people around the world, and the West Yorkshire Maths Hub – as well as working to support thousands of staff regionally through our Trinity Institute of Education outreach work. Our journey has taken us a long way; our ambition for young people, coupled with our desire to continually improve, tell us that this is just the start. For parents seeking educational excellence with an exciting broad extra curriculum offer for their child/children, we warmly welcome to Trinity.

Michael Gosling | CEO

“Effective collaboration, across a wide number of schools is an important part of who we are.”

Proud to be part of Trinity MAT

We are overjoyed to be a part of Trinity MAT. The support we receive from our external initiatives and fellow schools helps us to achieve all that we do. The success of our MAT rests on the team around us and we are sincerely grateful to all who are part of Team Trinity, contributing to our success and growth every day.

Trinity MAT is officially titled a World Class MAT

Trinity MAT has officially been awarded as a World Class MAT! We are one of just six Multi-Academy Trusts in the country to receive this accreditation, demonstrating the world class education and students that are at the core of Trinity MAT.

Trinity MAT has been crowned 'Medium MAT of the Year'

Trinity MAT has been awarded the title 'Medium MAT of the Year' by the Multi Academy Trust Association (MATA). Staff across our academies, external initiatives and central services were overjoyed with the news.

Trinity Multi-Academy Trust has a reputation of transforming schools, delivering a 'world class' education to every pupil and the families we serve. This translates into a unique education provision for your child:

- Well balanced curriculum: Enabling every child to master the core elements of English and Maths; plus working with our secondary schools to provide special input to STEM and arts subjects at primary level.
- An excellent behaviour and learning environment, including good quality classrooms; clear expectations of staff and pupils; high standards with our children's well-being at the centre of our ethos.
- Consistency through end-to-end education: Excellent preparation for pupils moving through the academy and then on to secondary phase of education.
- Wraparound care to support working parents: Provision of high-quality wraparound education, including before and after school clubs, extra-curricular experiences and development of life skills.

Ofsted Good!

Trinity Academy St Peter's (TASP) has officially received an Ofsted 'Good' rating in all areas following their latest inspection in June 2023. This result marks a momentous achievement in the primary academy's transformational journey.

After joining Trinity MAT just three years ago in 2020, the academy has undergone incredible developments. Before joining the MAT, the school received 'Requires improvement' within all areas in 2019. Our primary academy now stands tall in the community of Sowerby Bridge as a 'Good' Ofsted provider. This turnaround showcases the excellent support that Trinity has offered this struggling primary school, allowing it to become a much-desired place for young people within the local community. The Ofsted report offers glowing feedback in all areas, including the responsibilities pupils are given that help develop their skills and prepare them to be life-ready learners. "Pupils take on a variety of leadership roles. These include roles as anti-bullying ambassadors, mental health champions and 'Earthshot' Eco-Committee members. Pupils enjoy these roles and take pride in the responsibilities they have." – Ofsted. Staff at our primary academy are overjoyed to see the turnaround that many of them have experienced first-hand.

★ The quality of education	GOOD
★ Behaviour and attitudes	GOOD
★ Personal development	GOOD
★ Leadership and management	GOOD
★ Early years provision	GOOD

"It is wonderful to see that all of the amazing things we do at TASP to provide an excellent education have been recognised and validated. It has been a transformational journey. I am proud of the children, staff and wider school community, and the dedication that they have shown".

Mathew Brown – Principal.

Developing skills in and out of the classroom

Our curriculum is underpinned by the National Curriculum, which sets out the programmes of study that our pupils cover in their classes.

However, when we talk about successful St Peter's pupils, we aim to develop each child's special skills, talents and interests – including the provision of an appropriate educational programme for all pupils with special educational needs.

Pupils are encouraged to participate in many memorable experiences during their time at the academy, which will enthuse and interest them in areas such as sports, science, drama, dance and the arts.

Pupils at the academy also benefit from new learning areas for art, science and maths.

Our core values of Empathy, Honesty, Respect and Responsibility are at the heart of all we do in our academy community, and run through every aspect of our school life.

We are delighted to offer pupils at Trinity Academy St Peter's unrivalled outdoor facilities within our grounds, incorporating comprehensive sports and play equipment, Astroturf area, generous playing fields and even an orchard.

We encourage our pupils to appreciate and enjoy the exceptional outdoor spaces we have. Children in Reception have excellent play areas, both indoor and outdoor, where they can learn and play co-operatively with others, solve problems, be creative and develop independence.

Uniform

Pupils at Trinity Academy St Peter's are expected to wear their uniform to a high standard. This reflects their pride in being part of our academy community, and is important preparation for secondary school, and beyond that, the workplace.

Parents and carers have an important part to play in ensuring that their child arrives each day in full uniform. We are grateful for the support of our parents, and their understanding that our children really do take pride in their uniform, as detailed in the table below:

Girls	Boys
St Peter's tie	St Peter's tie
Blue St Peter's cardigan or St Peter's V-neck jumper	Blue St Peter's V-neck jumper
White collared shirt, long or short sleeved	White collared shirt, long or short sleeved
Grey skirt/grey pinafore dress/ grey trousers	Grey trousers
White/grey/black socks or grey/black tights	White/grey/black socks
Blue checked dress (summer term only)	Grey shorts (summer term only)
Black school shoes	Black school shoes

**FREE
£50
UNIFORM VOUCHER**

We offer our families a free uniform voucher worth £50 when their child joins TASP. This covers any branded uniform items, including our PE kit.

Reception Admissions

Our admission number is up to 15. Parents wishing to apply for a place in Reception should fill in an online Calderdale Admissions Form by 15th January 2024 prior to admission in September 2024.

We hold open events for parents and their children where they have the opportunity to meet the staff and see the Reception area.

Years 1 – 6 Admissions

Parents of children in Years 1 to 6 wishing to join the academy are invited to make an appointment to visit. Calderdale Council co-ordinate in-year applications for our school. Any requests for an in-year transfer should be made using the application form available on our school website or the Calderdale Council website. The Calderdale Council website outlines all of the information you need to apply for an in-year place, however, please do feel free to contact us with any questions.

Wraparound care

Before and after school clubs are available for children attending the academy, offering childcare for parents who need to drop their children off before the school opens, or collect them after the end of the school day. Our clubs give children the opportunity to interact with others who may not be in their class, encouraging them to make new friends.

At Breakfast Club we have lots of crafts and encourage the children to be creative. We also offer a range of activities for all ages, including word searches, crosswords and Times Tables Rock Star sheets. In After School Club we try spend as much time as we can outside, playing group games and enjoying the outdoor equipment.

Opening times:

Breakfast Club - from 7.45am until 8.45am

After School Club – from 3.00pm until 5.00pm

We provide nutritious snacks for the children attending both clubs. Sessions can be booked and paid for via an easy to use app.
