Trinity Academy St Peter's Awards

Reception - Grayson R - for being so grown up and independent. Grayson has worked hard at home and school to be independent and achieve his targets. He is definitely getting ready for Year 1! Keep it up Grayson.

Year 1 - Riley B - for trying really hard in maths this week. We have been learning how to count money which has been really tricky at times, but he has knocked Miss. Maguire's socks off! He has been a super mathematician this week. Keep it up!

Year 2 - Harriet F - for always being kind to her friends and super helpful in the classroom. She has also been using her phonics really well in her writing too. Keep up the hard work, well done!

Year 3 - Maggie N - for being a superstar in everything she does. Her attitude, confidence and the kindness she shows others allows her to serve as a wonderful role model for all of those in Year 3.

Year 4 - Luiellah H - for trying her hardest in class and impressing Mr. Groves with her effort in our recent independent write in English. It was laid out beautifully, sounded amazing and has managed to include all of her success criteria. Great job!

Year 5 - Addison HS - for his engagement in our RE lessons this week. He has spoken well in discussions and produces some great work that shows his understanding of different religions around the world.

Year 6 - ALL OF YEAR 6 - for their outstanding effort and commitment to their exams this week. Every single pupil has given 100% and all our children in Year 6 should be extremely proud of themselves. Mrs. Heslop, Mr. Brown and all the staff here at TASP are certainly proud of you all.

Weekly News & Reminders

Year 6 SATs

This week, our Year 6 children have taken on their SATs exams.

Each morning they were all invited in to school to have a hot breakfast with Mrs. Heslop. From sausage sandwiches to scrambled eggs, this set them up for the day ahead.

All of the children in Year 6 have been so resilient and have shown such brilliant perseverance throughout the week. We want to give them all a huge shout out. Congratulations Year 6, you've been

Say Hello to our new additions!

Reception class have had some very special guests this week - Ducklings!

They came to us as eggs on Monday and now we have 2 fluffy little friends to look after.

Reception class are doing a fantastic job of looking after them. They have to make sure that their cage is clean and that they have lots of food and water.

We will have the ducklings at our Reception Stay & Play which is next **Tuesday 20 May** from **1:30pm** for parents to see. The rest of our classes will be paying them a visit next week too.

REMINDER: Mobile Phones

Can we please remind all parents/carers that children should **NOT** be bringing a mobile phone to school unless they need this for walking home (Y5/6 only) or under other special circumstances, upon discussion with the school office or a member of SLG.

All phones that are brought in should be switched **OFF** and handed to the school office first thing in the morning. They should **NOT** be kept in lockers or school bags. This is to safeguard all children whilst they are at school.

Phones can then be collected at the end of the school day, or at the end of after school clubs, whichever is most appropriate .

Focus Group - A Big "Thank You!"

On Tuesday, we welcomed some parents/carers in to school to take part in a Focus Group with the trusts' Head of Marketing, Harry Granger. It was great to talk to them and understand what they love about TASP, what they would like to see from us going forward, and if there are any areas for constructive feedback.

Don't forget, our doors are always open! If you want to tell anyone how great of a job they are doing, we'd love to hear it. Similarly, if you have any constructive feedback on anything happening in school, we'd love to know so that we can all continue to grow and succeed together.

REMINDER: Healthy Eating and Water

We would like to remind all our parents/carers of our healthy eating policy. Children should not be bringing sweets and chocolate to school. If they do, these items will be taken and kept safe until the end of the school day when they will be returned. A healthy alternative will be offered instead.

Children should also only bring **water** to school and not juice or flavoured water. This will again be kept safe until the end of the day and they will be encouraged to drink water instead. Each class has clean cups available for children to use as and when needed.

Please see our healthy eating policy [here](#).

Reminders & Key Information

REMINDER: Attendance & Punctuality

If attendance drops **below 96%** then children are at risk of falling into the category of persistent absence. Attendance is discussed at termly attendance reviews with the Educational Welfare Service and letters are sent out periodically to make you aware of your child's attendance figure, and to advise of ways to improve this.

In terms of punctuality, school starts at **8:45am**. All children should already be outside lined up ready to come into class at this time. Our school

gates open at 8:40am.

Persistent lateness could result in a serious concern letter or fine.

Breakfast Club - Bring your child along, it's **FREE!**

Our new Breakfast Club is running amazingly!

Don't forget that your child can attend for **FREE** from 8am.

Get them to come along and have a healthy breakfast before school starts. There's a range of activities on offer each day too that they can take part in with their friends.

Have a look at the graphic to the right that shows the benefits of attending Breakfast Club.
