Weekly News & Reminders

TMAT IGNITE - Engineering Experts

This week, some of our Year 5 students took part in our latest Trinity MAT IGNITE initiative, Engineering Experts. We also welcomed Year 5 students from our sister primaries; Trinity Academy St Chad's, Trinity Academy Akroydon and Whitehill Community Academy.

The aim of this event was to engineer a boat, which was chosen due to the strong links that Calderdale has to the canals. Our school hall was turned into a workshop, with stations being set up for each of the 6 teams.

The children spent some time sawing wood and crafting their boat, designing the overall look of it, giving it a suitable nautical name, and decorating it whilst also ensuring it was water tight. They then worked on the electrics of the boat, ensuring that it had a motor and propeller so that it could travel on the water. The event culminated in a boating regatta, with the boats being raced to determine the winning team.

All of the children (and staff!) had so much fun designing, creating and engineering throughout the project. They made us all proud—well done everyone!

No Nuts! - Please remember we are a nut free school.

We have noticed that there has been an increase in nut based products being brought into school in packed lunches and as snacks.

Please can we ask that you are mindful of allergies when sending things to school with your children, and remember that we are a **NUT FREE** school.

This includes, but is not limited to, the following items which have been brough into school recently:

- Nutella/hazelnut chocolate spread - this includes spread in sandwiches, Nutella bars etc.
- Kinder bueno bars—these contain hazelnuts

Any nut based products that are brought into school will be taken away and kept until the end of the day. An alternative such as fruit will be offered instead. Thank you for your understanding and support in keeping all of our children safe.

Y5 SAFE Travel Cup - Come and watch our talent show!

Last term, we told you about our Year 5 children bidding to win the SAFE Travel Cup competition for the second year in a row. We can confirm that they made it through to the finals! **Congratulations to our Year 5s!**

Now the fun bit starts, our active travel talent show taking place on **Tuesday 17 June** from **2pm—3pm**. Every class will be showcasing a talent linked to active travel, with them all being judged and a winner announced at the end. A leaflet was sent out with details this week. Tickets are limited and can be requested here.

Our Year 5 children have been working hard aside from preparing for the talent show too, with them getting out in the community to promote their campaign this week. Stay tuned for a full update soon!
