Weekly News & Reminders

Wellbeing Wednesday Coffee Morning

On Wednesday, we held another Wellbeing Wednesday Coffee Morning, hosted by our Anti-Bullying Ambassadors. As it's Father's Day coming up on Sunday, we had some crafts for everyone to do for that special someone in their life, whether that be dad, step dad, grandad etc.

It was a great turnout, with lots of parents/carers attending and spending time with us, each other and their children. Thank you to everyone who was able to come.

Our next Wellbeing Wednesday is scheduled for **Wednesday 9 July**. Please join us straight after drop off for our last event of this academic year. We will have lots of summer activities on offer, as well as refreshments!

Finally, we would like to wish all of our parents/carers a Happy Father's Day for this Sunday!

Year 1/2 Learning Together Afternoon - Let's do some planting!

On Wednesday afternoon, our Year 1/2 parents and carers were invited in to school to take part in a Science lesson, led by Miss. Maguire and Mrs. Walker.

We utilised our fantastic science lab, and there was a carousel of activities set up for the children and their families to move around throughout the afternoon. Year 1 planted some broad beans and Year 2 planted daffodil bulbs. They learned how these grow and how to take care of them. Parents/carers and families were on hand to help too. They also took part in activities such as tracing and colouring different plants.

Thank you to everyone who was able to come along and learn together with their child. We look forward to hosting more events in the near future.

Year 4 TMAT IGNITE: Science

On Wednesday afternoon, our next event from our Trinity MAT: IGNITE initiative was launched. All of our Year 4 children have been invited to take part over the coming weeks where they will be joined by a secondary science specialist to lead them in each session. They will be learning about the 3 core disciplines within science - Biology, Chemistry and Physics!

The first session was all about Chemistry, with the children observing and then taking part in different experiments led by Miss Bennett from Trinity Academy Bradford. They learned about everything from chemical reactions in the digestive system to observing exciting live experiments. What an amazing afternoon of Science!

Friday Trading Day

This week, our school council met with Mrs. Taylor to see what they would like to see happening in and around school going forward.

Amongst the many ideas that they had, one was to trial a 'Trading Day' each Friday.

This will involve children being able to bring in various things such as Pokémon cards,

Match Attax, football cards etc, and swap with their friends. This will be trialled on **Friday 20 June** initially, with trading being based in the main hall at lunch time. All items should be kept in lockers before and after this time, and they will be supervised to ensure fairness etc.

If the trial day is successful, then this will take place every Friday dinner time going forwards.

TMAT IGNITE - Sports Champions

On Thursday, we held our final Sports Champions event of this academic year. Our final focus was athletics, and our champions journeyed to Spring Hall in Halifax to use their amazing facilities. Throughout the day, the children took part in long jump, triple jump, shotput and javelin, as well as some relay races.

Our winning team on the day was Team Cockcroft, featuring our very own **Finn B**!

Overall, the results across all 3 tournaments were collated and verified, with Team Adams being crowned the ultimate Trinity MAT Sports Champions 2025! Well done to **Jacob S** and **Milli-Mae C** who were part of the overall winning team.

Congratulations to all of the children, across all of the primaries, for an amazing Sports Championship! Every school will proudly display a Sports Champions trophy in their main entrance to celebrate their outstanding achievement. Make sure you have a look at it next time you are in school!

KS2 Athletics @Ryburn

On Thursday morning, some of our KS2 children were invited to Ryburn to take part in their annual outdoor athletics event. They took part in lots of different track and field events throughout the morning, including long jump, throwing and running races.

We are proud of all of the children for giving their event a go, with lots of our children making it through to the finals. We also came back to school with some medals, with **Jude M** taking home 2nd place for the 150m race, **Benjamin B** achieving 3rd for the standing long jump, and **Logan FG** also bagging 3rd place for the standing long jump. Congratulations!
