News

Collective Worship

This week in Collective Worship we continued to explore our theme of 'thankfulness'.

We have looked at Psalm 148 and explored how Christians thank God for creation, taking time to think about the many things in creation we are grateful for.

Our Worship Ambassadors led a special worship about Jeans for Genes, helping us learn more in preparation for Jeans for Genes Day and it was wonderful to welcome parents and families to our Interfaith Showcase, where we shared a fantastic range of artwork created during our Interfaith Day last week.

Jeans for Genes Day

On Friday, everyone at TASP wore jeans to school to raise money and awareness for Jeans for Genes day.

Earlier this week, we held a special assembly so that children could learn about why this is such an important cause. Thank you to everyone who donated via our Just Giving page [here](https://www.justgiving.com/jeansforgenes). This is still live if anyone would like to donate anything further. You can also learn more about Jeans for Genes day via their website www.jeansforgenes.org/.

We will let you know what our fundraising total is soon. Watch this space!

EYFS and Year 1/2 Learning Together Event -

Let's do some Phonics!

On Monday, we held our first Learning Together event of the year. We kicked off with our youngest children in Reception and Year 1/2, who took part in a Phonics event.

Mrs. Greenwood spoke to the parents in a short presentation about how we learn Phonics here at TASP. They also watched a short video starring the children showcasing their amazing Phonics skills!

After this, parents/carers joined the children in their Phonics lessons and even got involved. We hope you all learned how to support your children with their learning at home!

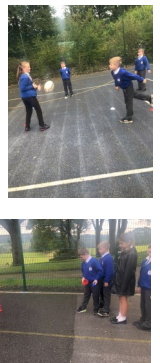

Play Leader Training @RVHS

On Thursday, Mrs. Taylor took our Play Leaders to Ryburn to take part in a training session. The aim was to equip our Play Leaders with the knowledge to lead the children during play times at TASP. We also wanted the session to inspire some creativity and ideas with our Play Leaders.

Here is what Mrs. Taylor said about the event:

"All of the Play Leaders enjoyed taking part. They have brought lots of ideas back to school to share with everyone!"

Thank you to Ryburn for a brilliant event, as always!

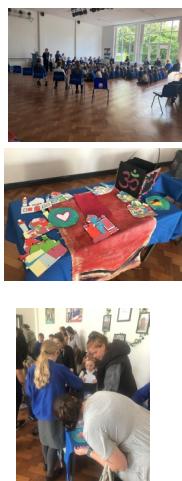

Interfaith Showcase

On Wednesday, we held a special collective worship where parents/carers were invited in to view the art work that the children created on our Interfaith Day last week.

We had lots of different art on show such as prayer mats and temple mosaics. Well done to all of the children for such an amazing collection of multi faith art work!

It was lovely to see so many families coming to join us. Thank you!

SIAMS Inspection

This week, we had our SIAMS inspection at TASP. This is conducted so that we can highlight the impact that our Christian vision has on how the children and the whole school community flourishes.

We are awaiting the report being finalised and published, and will share this with you as soon as it is available.

We would like to thank everyone for continuing to support our school through encouraging your children with their learning, attending events and helping promote our vision of 'proud to be growing and succeeding together'. We would also like to extend a special thank you to those parents who were able to speak to the inspector personally. Your feedback and support is invaluable.

NEWS & REMINDERS

REMINDER: Attendance & Punctuality

If attendance drops **below 96%** then children are at risk of falling into the category of persistent absence. Attendance is discussed at termly attendance reviews with the Educational Welfare Service and letters are sent out periodically to make you aware of your child's attendance figure, and to advise of ways to improve this. In terms of punctuality, school starts at **8:45am**. All children should already be outside lined up ready to come into class at this time. Our school **gates open at 8:40am**.
